

Abyx fit Touch User Manual

PRODUCT OVERVIEW

FR

HOW TO TURN ON

Press and hold the "Touch Key" until the tracker turns on. The tracker will also turn on when you charge the device.

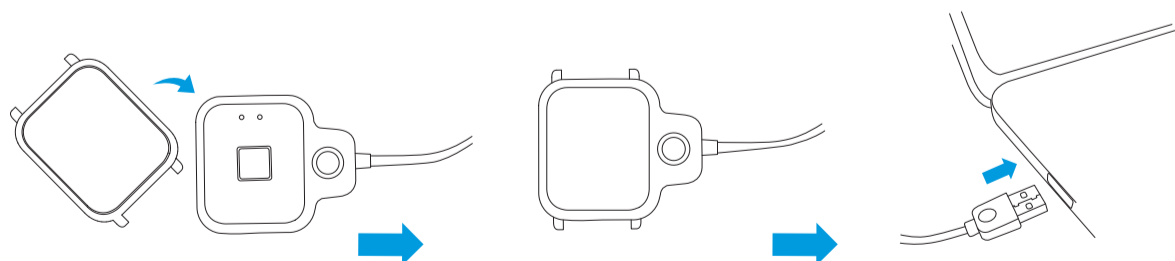

HOW TO MOVE BETWEEN SCREENS

Tap on the Touch key to switch screens, press down and hold to enter the selected menu or start a function.

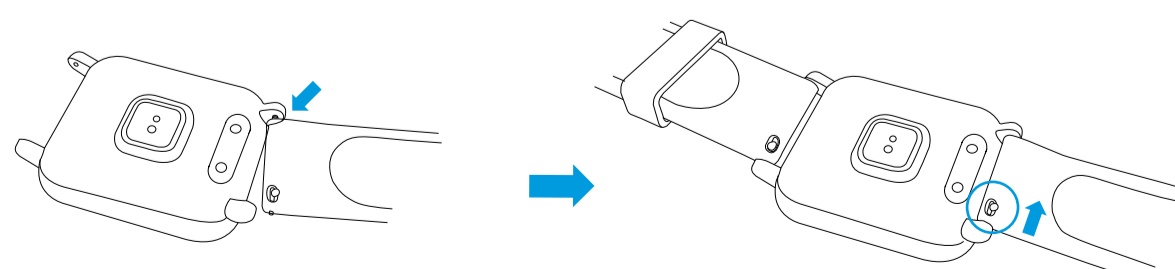

CHARGE YOUR ABYX FIT TOUCH

Use only the included Abyx fit Touch charging cradle to charge your tracker. You can use any powered USB output to plug in the charger. We recommend to charge your device for at least 30 minutes before pairing with your mobile device.

When the device is charging, the screen will display a green battery and the level of charge of the battery.

HOW TO CHANGE THE WRISTBAND

DOWNLOAD THE ABYX FIT TOUCH APP

Download the Abyx fit Touch app on the App store for iOS devices and on the Google Play Store for Android devices.

Scan the QR code to download the app

Abyx fit Touch

Compatibility
iOS 8.0 or more
Android 4.4 or more

PAIRING YOUR ABYX FIT TOUCH

Make sure you have the Abyx fit Touch application downloaded. You can only pair the tracker using the app NOT through the bluetooth settings on your phone.

1. Make sure bluetooth is turned on, on your phone.
2. Open the Abyx fit Touch application.
3. Press on "Add a Device".
4. Select your tracker from the list.

Your tracker is now paired to your phone and all data will be synced.

If you experience problems with the pairing, visit Abyx Support on www.abyx-fit.com or check our Abyx support videos on youtube.
